## Background Investigations and Screening

USIS Healthcare Solutions offers an unmatched suite of services customized to protect your health care program's integrity and detect and deter fraud. These include a wide range of Background Investigations and Screenings.

USIS Healthcare Solutions is part of USIS, the largest commercial provider of security clearance investigations to the U.S. government. In 2010, USIS completed over 2 million federal background investigations. It also conducts commercial background investigations and automated checks in partnership with our sister company, HireRight, which provides screening services to more than one-third of the Fortune 500 companies.

USIS' employee staff of approximately 2,600 credentialed field investigators is supplemented by more than 750 contractor investigators. Strategically located in both rural and urban areas, they provide coverage in every U.S. state and territory. Their reports of investigations—customized to client needs—are comprehensive, concise and easy to read.

Investigators cleared to work on behalf of health care programs receive contract-specific training to ensure clients receive the highest quality results. This training reflects USIS' \$25 million commitment to corporate training, curriculum development and delivery since 2001.

USIS Healthcare Solutions background investigations and screenings are not only high-quality—they are also efficient and cost-effective. With a strong focus on customer service, USIS is continually honing its operational procedures and developing proprietary IT and mobile applications that save clients time and cost.
